

SPECIALIST FREIGHT & CUSTOMS — LONDON

Your goods, cleared without the friction

Import and export made simple for UK businesses — handled by specialists, checked twice, cleared fast.

01

Sea, air and road — one partner for every shipment

02

Your own client portal — follow every consignment from paperwork to clearance

03

AI-assisted document checks, always reviewed by a human specialist

What we handle

Import & export customs declarations

Duty and VAT guidance, preferential rates under UK trade agreements

Amendments and post-clearance corrections

Customs classification & commodity codes

Port health pre-notifications and certificates where your goods require them

Full service — send us your paperwork and we take care of the rest

How it works

1

Tell us about your shipment — or use our portal, where our assistant helps you find the right codes and lists exactly which documents you need.

2

We review every detail — your documents are cross-checked against the declaration before anything is submitted.

3

Cleared — you receive confirmation and a complete declaration pack for your records.

Why Regal Parcel

Precision

Every declaration is checked by technology and signed off by a person

Transparency

You see the status of your shipment at every step, and any question reaches you instantly

Partnership

From your first consignment to your hundredth — one team that knows your business
